Texas Comptroller's Office Schedules September Tax Help Seminars

Comptroller Susan Combs' office will offer seven free seminars in September, including two seminars in Spanish, to assist local taxpayers with their state taxes.

The seminars will take place throughout the month at various locations across the state. A complete list of locations, dates and times is available at www.window.state.tx.us/taxinfo/seminars.html.

“Operating a business has many challenges, but figuring out your taxes should not be one of them,” Combs said. “Whether you are a new taxpayer or one who has been in business for many years, these seminars will help you understand the laws that apply to you and your business.”

At the seminars, taxpayers can learn about sales tax forms, taxability issues, taxpayer responsibilities and the array of services and information available from the Comptroller's office to assist taxpayers. Comptroller representatives will answer questions and provide assistance to attendees.

For more information about the seminar in your area, call the Comptroller's field office in your area.

Those who are unable to attend the seminars can call the Comptroller's toll-free tax assistance line at (800) 252-5555. Tax forms and tax information can also be found on the Comptroller's Web site, www.window.state.tx.us.
